

Christmas at Hintlesham Hall 2023

Our Christmas break offers guests a festive three-night stay with roaring log fires, traditional decorations, indulgent food and drink, and time to make memories with loved ones!

Christmas Eve

Start your festive break by immersing yourself in the magic of Hintlesham at Christmas. Whether this means relaxing in our breath-taking surroundings, winding down in your luxurious bedroom or pampering yourself with a range of massages or luxurious beauty treatments, there's something to suit all tastes.

Arrive from 3pm onwards and settle into your room, then join your fellow guests for tea and scones in one of our cosy lounges.

The festive atmosphere really begins with our traditional Christmas Eve drinks and canapés, served in the Library and Garden room, accompanied by local carol singers. A delicious three course dinner will then be served as our pianist plays.

For those wishing to, why not round off a perfect afternoon and evening by strolling along to the beautiful Hintlesham Village Church for Christmas Midnight Service. Upon your return, a glass of warming mulled wine will await you before you retire to the comfort of your room.

Christmas Day

Your Christmas Day at Hintlesham Hall is sure to be an unforgettable occasion. From the moment you wake and peruse your Christmas hamper through to a delicious traditional Christmas Day lunch and if you still have room in the evening we will offering a selection of cheeses, cold meats and something sweet for you enjoy, along with an optional quiz being held from 7pm in the Garden room, hosted by one of our lovely residents, Judy, it's a day of indulgence and celebration in the grandest of surroundings.

Boxing Day

Make the most of your festive stay with a hearty leisurely Boxing Day breakfast available until 11am, maybe followed by an invigorating walk in the grounds or a round of golf to burn off some of those Christmas Day calories. Hintlesham Hall's tranquil location in the heart of Suffolk makes it an ideal base to explore some of the county's beautiful villages and nearby coastal walks. We will not be serving lunch today, but a selection of sandwiches will be available to purchase if you require a little something to keep you going until the evening.

Following our Boxing Day candlelit dinner, we invite you to finish Christmas off in sophisticated style, with a casino night and music from Jimmy Hart; it's all for fun, so why not dress to impress and place your bets. 'Black Tie' is optional, but it all adds to the atmosphere of the occasion.
