

Friday 15th March 2024

You are invited to a gala dinner with a very special guest speaker.

The one and only 007!

Before dinner can even be served, Bond is called into action to stop a local terrorist organisation that wish to take over this very venue.

But he's past his best; out of shape, disorganised and had one too many shaken Martinis.

Can Bond uncover who is behind this organisation? Could it be one of his old enemies? Could it be all of them?

A hilarious parody with a glass of Prosecco and casino table on arrival and a
3 course dinner included!
