The Premier Interactive Dining Experience

Friday 14th March 2025

An absolute must for fans of the classic sitcom, *Allo Allo!*

Poor old Renee. As if things weren't bad enough. The Germans already have him hiding the Sausage containing the painting of the fallen Madonna with the big boobies by Van Klump. Michelle from the resistance still needs his help to get the British Airmen back to England.

But worst of all, his wife Edith still thinks she can sing!

So, when Herr Flick of the Gestapo turns up, demanding to know the whereabouts of the painting, its testing times for Renee. Even his secret affair with the waitress Yvette struggles to raise his...spirits. But never fear, keeping a watchful eye over proceedings is a British Agent disguised as a Policeman, who hasn't quite grasped the French Language.

The audience will very much be a part of the evening, and we strongly encourage dressing up for the occasion.
